<p><b>OFFICER STRESS IN CORRECTIONS: (4 hrs.) (TCOLE 2190)</b>                      Whether it's acknowledged to be factual or not, stress is a silent killer among correctional officers and detention officers. This viewpoint is often challenged by correctional officers who resist the suggestion it can happen to them as they are stronger than the average person working inside a large jail or prison thus immune to such an invasion of the body, spirit or mind. This class will provide student with the awareness of stress and stress-related issues within the Correctional setting.  <b>Coordinator/Instructor: Ofc. L.
